# AND EXPRESSED

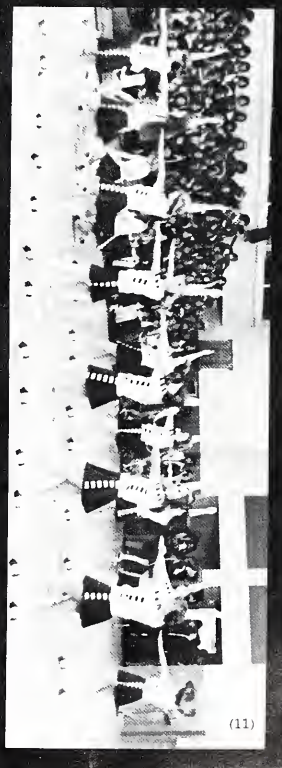

Like a mouse in a maze, we searched for the perfect word or phrase to represent Carroll. We found that the real definition of Carroll is beyond the realm of this or any other book. In a dictionary, school is defined as an institution for the teaching of children. That didn't tell us much! We looked at the people, their faces, actions, and feelings. We saw the building, a "red brick school." There was reading, writing, & arithmetic, but there was more, much much more. Using our five senses, we encountered a million billion ideas, memories, future dreams . . .

## TEST PRAYER

Now I lay me down to study,  
I pray the Lord I won't go nutty.  
And if I fail to learn this junk,  
I pray the Lord that I won't flunk.  
But if I do, don't pity me at all,  
Just lay my bones in the study hall.  
Tell my teacher I've done my best,  
Then pile my books upon my chest.  
Now I lay me down to rest,  
To pray I'll pass tomorrow's test.  
If I should die before I wake, that's  
One less test I'll have to take.

# participating

Carroll's Work-Study program is experimented by students Terry Armstrong and Richard Roy who work at McDonalds.

The Work Groups of CHS have been an important part of some students schooling. These jobs are offered by the school or through the school faculty. These work areas include the Media Center help, Cafeteria help, Work Study, and the Pre-vocational class.

These work areas provide job opportunities to many students. The Media Center provides opportunities for students who are interested in library work, or secretarial work. They help other students find material, work at the checkout counter, and keep books and other materials in order.

Cafeteria work is also done during the school day. These students assist Mrs. Marschand with cooking, taking money, or putting out trays.

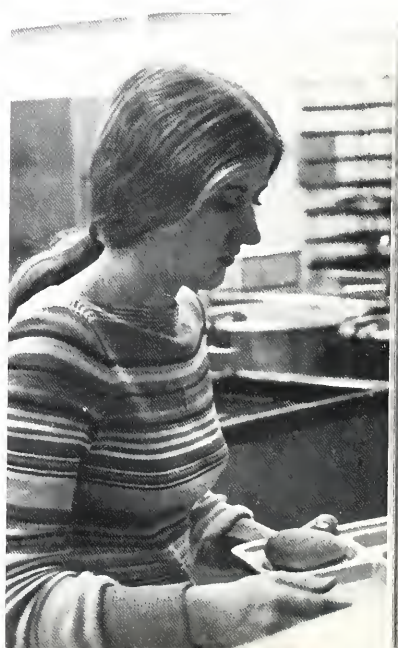

In Work Study, through Mr. Etzler, many jobs have been found such as working as a maintenance man at Sears, while another is employed at Irene Byron. These students are working during school hours and still completing their studies.

Some students are working for pay, while others are working for the satisfaction of doing something helpful for their fellow students. These jobs are intended to offer experience to their lives after school.

Lots of pennies, no straws, & leaking or frozen milks are among a few calamities Stephanie Oliver and Denise Johnson cope with while working at the milk counter.

One hamburger coming up! Fourth period study hall student Traci Buffenbarger chooses to work in the cafeteria instead of studying! Can anyone blame her?

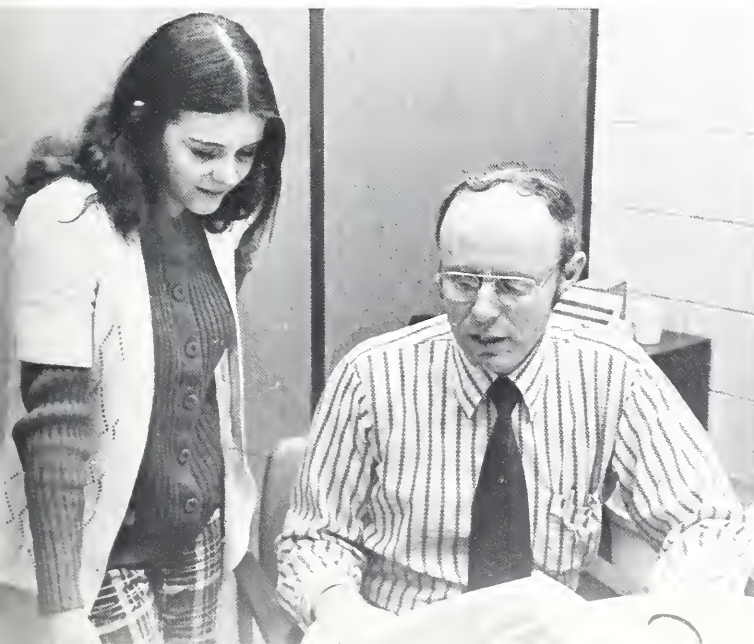

# pupils

Pre-vocational classes are working on future skills.

A money making project is the engraving machine being used by C. Grubb, D. Brown, J. Borne, A. Hovis, A. Grubb, R. Imbody, R. Brown, L. Davenport & Mr. Etzler.

Balancing media assistant Kris Porter aids a pupil in finding research info.

V. Burkhardt & D. Hoot assist J. Freeman with work at the checkout desk.

For counseling on her schedule, Dawn Malotte discusses it with Mr. Johnston.

# language

Expression, communication, understanding. Language arts at Carroll feature both English and Spanish.

The many-faceted English department at CHS goes beyond the usual "readin' an' writin' ". Along with learning the basic language skills, English 9 students kept busy writing and acting out plays. Sophomores studied their ever-popular vocabulary lists, while others struggled through Mrs. Byers' English comp tests. Creative imaginations were needed for classes ranging from business English and journalism to drama and science fiction. Different approaches to learning were used. Video taping, group study, and demonstration speeches helped individuals broaden their understanding of the English language.

Hable Espanol? The Spanish classes, taught by Miss Evarts and Mrs. Duff, make up the foreign language department. Activities this year included demonstrations, a pinata party, and turning the classroom into a restaurant. Headphones, dictation and everyone's favorites, Pepito y Iman were all a part of the daily routine.

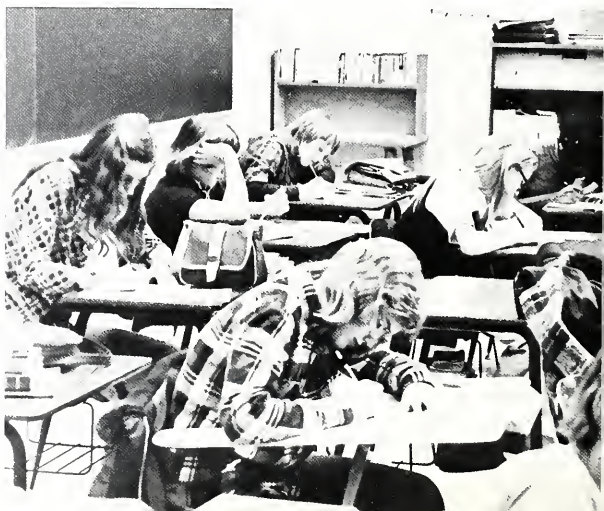

Michelle Walker shows Dean Timmerman another use for his mouth.

# mathematical

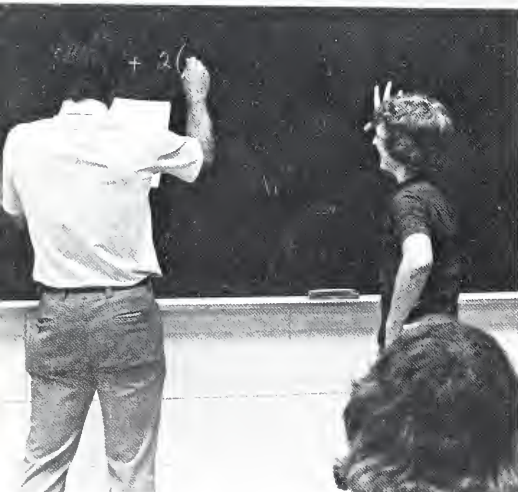

For people that just want the basic knowledge of arithmetic for the individual situations of living, Consumer Math taught by Gene Merkle and Tom Keefer would be the answer. Basic concepts in graphs, functions and square roots along with the use of variables and equations in problem solving are taught by Mr. Keefer, and Dean Merriman in Algebra I. Algebra II is a continuation of Algebra I which includes quadratic equations and rational and irrational numbers just to name a few. This class is taught by Mr. Merriman and Chuck Sloan.

Fundamentals of Algebra I & II contains the same material as Algebra I but spreads it over two years to still include a complete course in Algebra. Mr. Merkle, Mr. Keefer and Mr. Sloan teach the course.

Jim Beard and Mr. Merriman teach proofs applied to planes and lines and various shapes known as Geometry. Trigonometry taught by Mr. Beard is the study of trigonometric functions, complex numbers, and many other advanced studies in math.

# Industrial arts

Skateboards, clocks, cutting boards . . . Projects such as these brought woodworking students money, and experience in working with mass-production. Techniques on finishing projects that they had selected, planned, and constructed were learned. The safe use of power driven machinery was also practiced. Students then progressed to larger and more difficult items such as cabinetry and carpentry.

The three levels of drafting begin with lettering, handling sticky compasses, and the old T-square, useful in many ways! Advanced classes work on house plans which could be used as blueprints, and design and make assembly drawings of small machines.

Along with drafting and woodworking, Industrial Arts covers the areas of power mechanics. In power mechanics, students learn the basics about engines, from small one-cylinder engines all the way to the larger 8-cylinder ones. Students also learn the basics about arc welding and gas welding.

ABOVE: It's safety first in woodworking as shown here by Tony Retelle, Ken Beachler, and Barry Richards. BELOW: Using a vice and a saw Terry Armstrong puts together his woodworking project.

## business

FAR ABOVE: Pam Gorsuch demonstrates her typing ability. ABOVE: Phil Horstmeyer works diligently to get his accounting figured accurately. RIGHT: Michelle DeHaven struggles to read her shorthand.

In the business courses, students prepare to enter the business world. These classes broaden their knowledge about the happenings and experiences of business. Students are exposed to business concepts, business finance, and procedure, and many different skills and techniques necessary to find a job. Whether it is typing 70 words per minute or making a checkbook balance correctly, there is always a goal to aim for.

The business world is big and exciting. It has many challenging aspects, and students who have taken some business courses find these challenges much easier to encounter and overcome.

ABOVE---Barb Pusey gets a surprise in Government. BELOW-- Exchange student from Norway, Rose K. Hanssen meditates in Government.

The Social Studies Department plays a major role in every students life. The courses within this department not only give the student knowledge about his country, but also practical experience for everyday life.

The many Social Studies courses offered at Carroll this year include Government, which is the study of the legislation and politics. Sociology deals with the surrounding society and environment.

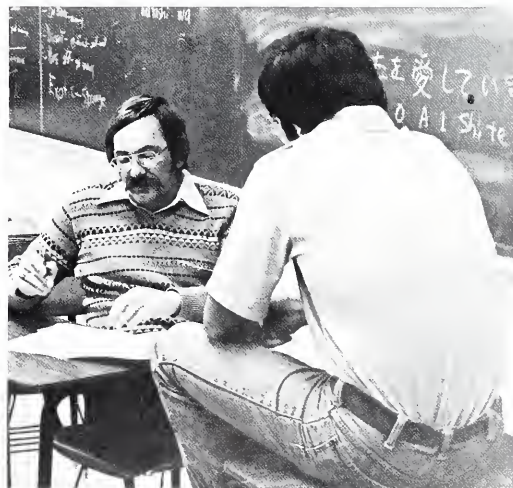

A class that is also offered is Psychology, which is the study of personalities and how to help people. For a class project some students went to Hunteertown, Perry Hill, and the Byron Health Center to aid students and patients. The Values and Issues class of this year discussed major problems our society has faced in the past and faces in the future.

# science

BELOW: Mr. Schipper provides an experts' point of view.

The CHS Science Department offers a complete studies of the basic branches of science, through a wide variety of teachers and courses.

Studies in the basic concepts of science and the environment take place in General Science. Taught by Mr. Gene Merkle, this class looks at the formation and relationships of the elements making up our world, and things that may affect it, such as the weather. A second step in this area is the Earth Science class, where Mr. Jim Potter puts the planetarium to good use teaching the structure of the universe.

Biology, with its study of living things, is taught by Mr. Vaughn Miller and Mr. Homer Schipper. In Bio I & II, students look at the make up and functions of both plants and animals.

Lab exercises are given once a week in both Chemistry and Physics. Mr. Charles Sloan teaches the science of the composition of substances, commonly known as chemistry, while Mr. Jim Beard teaches the physics classes, with matter and energy being the prime concerns.

Carroll could be turning out some scientists and Nuclear Physicists and maybe even more science teachers.

## Music Adds Color

Music . . . enlighten us and brighten the world. Often called the universal language, music is a form of art almost everyone can relate to.

Room 11 is the center for musical activity at CHS. This is Mr. Luke Matthew's domain--both a classroom, and a practice room for the vocal and instrumental groups. Many long hours are spent here by the band, working hard to prepare for their performances. Carroll choir saw many new faces this year with a rise in the number of freshmen involved.

While choir and band are open to anyone and have regularly scheduled classes, Select Choir and Stageband must work on their own time. The members of these two groups are chosen and give concerts throughout the year.

Music appreciation class learned about the composers and the history of music as we know it today. The music theory class studied the form and structure of music.

ABOVE: The band spent many early morning hours of practice preparing for each halftime show on the football field. Shown here are members of the flute section, Peggy Nitz, Debbie Kruse, and Michele Walker. RIGHT: Students welcomed the idea of abandoning work in Music Appreciation for the occasional "free day". Judy Treesh enjoys one in the usual way-- plugged into the stereo and munching down on Oreos.

People expressing themselves in their own way, through their own talents. The art room has been the scene of various art techniques throughout the year, everything from freehand sketching to printing. Students observed different art displays throughout the school, compliments of the art classes.

Of the various contests, Mike Johnson placed first in the Three Rivers Ceramic show. In the Annual Scholastic art awards, from our school, Richard Haire was a Gold Key finalist. Kent Neuhouser and Tammy Recht received honorable mention. Richard Haire's pottery then proceeded to New York for National Judging.

In the beginning art classes, students learn the basics of shadowing. After shadowing they go to freehand sketching and painting. Students also did a few ceramic projects and work with different types of art using metylan. In the ceramics classes, students deal mostly with crafts, ceramics, types of sculpture and some areas of carving.

# creating

Home Economics offers a variety of classes this year, not all of them are for girls. Guys and gals is for seniors who have never had Home Economics before and teaches them to become self-sufficient in cooking and sewing in later life.

Housing is a course designed for girls interested in house designs and furnishings. Human Development presents physical, social and psychological aspects of the life cycle.

Family Relations deals with relationships in the family as it functions within the society and culture.

# crops

Ken Ott gains experience in the art of welding.

Carroll has always had a strong agricultural department. A total of six courses are offered, ranging from introductory ag., which is the study of production methods and basic recordkeeping, to horticulture, the study of landscaping fundamentals and plants.

Another introductory course is mechanics. The first semester is mostly bookwork while the second is used to learn mechanical skills in shop. The two advanced agricultural courses are mechanics and production, which is designed for juniors and seniors who have already taken the introductory classes.

# analyzing

In the Health Education Program, students have had to use the basic information gathered in the areas of health science to serve as a basis in determining personal health needs and problems. In some assignments, students have had to state personal health needs and solve personal health problems by making use of resources and materials available. They have also done research, in depth, about alcohol, drugs, and tobacco. When students finish their health course, they should be able to cite certain local, state, national health problems and determine ways in which they can be eliminated.

ABOVE: Craig Ransburg, Mitch Adair, Susy Milleman, and Chris Truax observe the human body. RIGHT: The Health classes had a guest speaker who talked on the subject of Venereal Disease. BELOW: Luke Gross swiftly touches the line, of the shuttle run, to make a quick finish.

The boys and girls Physical Education Program played kickball, volleyball, and relays co-ed this year as an experiment to see how next year's in-depth change will work.

Individually, the girls participated in team sports during the first semester, such as basketball, warball, etc. Tumbling and gymnastics made up their second semester.

Boys' phys. ed. classes had to take the Illinois agility test. It consisted of push-ups, sit-ups, and the shuttle run. The purpose of this test was to determine the strength and quickness of the student.

ABOVE LEFT: Kent Herriot picks up a ground ball and scores two points. BELOW LEFT: Remember all of those sit-ups in gym class? BELOW: The 6th period phys. ed. class plays a hilarious game of basketball.

# Carroll High

## —Live!

An extravaganza of music, dance, and drama unfolded before the audiences of the 1976 FOLLIES November 20th and 22nd in Carroll's auditorium. The theme "Carroll High-Live" was illustrated throughout the entire program. The show was patterned after the popular TV show "Saturday Night Live" with Nick Nakos as Master of Ceremonies. A fall by Carroll's own Chevy Chase, Ron Swart, and the clever antics of the stage crew of bumblebees added extra sparkle. Comical commercials between acts help complete the television show effect!

"All My Problems" well describes this skit as the flat falls over. Musical group Mark IV gave the opening and closing performances. Leader Mark Till presents Mrs. Duff with roses at the finale.

Lively Patti Schaefer "Lights up the town".

Vocalist Tammy Krieger sings "Mira".

Kim Haynes describes the day's events to "Edith Ann," Pam Templeton.

Old folks Kent Neuhouser (Herbert) and Julie Herdman (Grace) are the dynamic duo in the confusing but amusing comedy, "I'm Herbert."

K. Berger and S. Hoke add new dimension to "Jesus Christ Superstar."

A commercial on lice shows L. McNabb pestered by a bee. J. Byerly in a side-splitting act of "Take me out to the Ballgame." F. Zucco's skill is marveled.

## A TRIUMPH!

At first the future of the Follies looked dim, but through the determination of interested students, the show quickly materialized. Under the direction of Mrs. Duff and Mrs. Schaefer, with student assistants Austin Berger and Patti Schaffer, 18 acts displayed their seemingly unlimited talents!

# ABNER!

77

Under the direction of Mr. Bechtelheimer and Mr. Matthew, the spring musical "Lil' Abner" was a tremendous success. The Dogpatch characters were brought to life March 25, 26 and 27th in a show filled with music, dancing and over-all fun. Cast and crew spent countless hours of practice both before and after school, and dinners of peanut butter sandwiches became all too familiar. Highlights of the show included the "Rag off" the Bush" dance number and the Sadie Hawkins day race, that used the entire auditorium.

The 1976-1977 athletic teams have been outstanding ones. Our football team won the ACAC Championship with a 10-0 record. Our spectacular basketball team won the County Tourney Championship by defeating Leo in a thrilling double overtime. The wrestling team won the ACAC Championship in their own gym. Our spring sports are off to a good start; boys' track team took their own Carroll relays, and the girls' track team won the ACAC trophy on their own track, while the golf team won sectionals.

# Junior / Senior Prom

The 1976-1977

This year's Prom was an ultimate success. Using the theme Moonlight and Roses the Junior class made the mood of the prom one you would never forget. Under the guidance of two very outstanding Junior girls, Lisa Rich and Tanya Wilkenson, the prom went smoothly and beautifully. Lisa and Tanya formed several committees to get the preparation of the prom underway, committees were formed for the selection and presentation of the Royalty, for the hiring of the photographer, for decorations and refreshments, and for the parking of the cars. The prom has always been and always will be an evening to remember, especially when you hear the words to "Precious and Few", our prom's theme song, or when you remember the floating candles, the mirror ball, or just that special dance with that very special date.

At the beginning of the preparation of this year's prom, there was thought that it might be possible to hold the Prom elsewhere, outside of the schools grounds, but the work that was put into this possibility was all in vain. This year the Prom committee hired a union band called the "Oakland Stroke". Their music was perfect and it set a very romantic mood among the guests present at the prom. It was definitely an evening to remember.

## PRECIOUS AND FEW

Precious and few are the moments we two can share. Quiet and blue like the sky I'm hung over you. And if I can't find my way back home, it just wouldn't be fair. Precious and few are the moments we two can share.

Baby, it's you on my mind, your love is so rare. Being with you is a feeling I just can't compare. And if I can't hold you in my arms, it just wouldn't be fair. 'Cause precious and few are the moments we two can share.

**TO THE SENIORS:**

Another year goes passing by  
 Another Prom is here  
 To some this brings a joyous smile  
 To others, brings a tear  
 For four years you have tread a path  
 From dawn to setting sun  
 But now the path gets steeper  
 And the climb is just begun.  
 We're very glad to know you  
 We'll miss you when you've gone  
 And to the class of "77"  
 We dedicate our Prom.

# GRADUATION 1977

As our final year comes to an end, we look back with fond affection at all the memorable experiences that we have had here at Carroll.

As freshmen we witnessed the first parent/student exchange day and we watched as Carroll won ACAC titles in girl's track, boy's wrestling and basketball. We participated in our first musical, "Damn Yankees".

Our sophomore year brought with it Mini Course Day, "Finian's Rainbow", the come-and-go of the pop machine, the first girl's "C" club, and an outstanding season in boy's wrestling and basketball.

Our junior year, the Bicentennial, involved us in the planning of college as we listened to college representatives informing us of all the benefits their college could offer us. We watched as Carroll and the surrounding schools in our district put on the Bicentennial Fair. We also did an excellent job of putting on the Broadway musical, "My Fair Lady", and won everything in an outstanding wrestling season.

Our senior year, our last year, we rewrote the student body's constitution, watched as Carroll displayed its talents once again in "Lil Abner". Carroll won ACAC titles in boy's wrestling, basketball, football, golf, and in girl's track.

These past four years will truly be long remembered and treasured in the hearts of the seniors.

## Teachers lead the

A friend, a supervisor, and a parent are just a few of the many roles of a teacher, and through these roles, teachers at Carroll try to give CHS students a better out-look on their future. In a society where students are faced with constant changes, an understanding teacher can make facing those changes alot easier.

This year, along with sponsoring clubs, coaching teams, and organizing student activities, the teachers put alot of time into the North Central Self-Evaluation Program in an effort to maintain the high qualities and standards at Carroll.

The Class of 1980 may have been newcomers at first, but they soon fit into Carroll's life style.

The 9th grade students participated in events such as the follies, Homecoming, and held their own pep rallies.

Led by President David Johnson, the freshmen class planned several money making projects to help finance their future Junior and Senior plans. With the help of sponsors Mr. Beard, Mr. Merkle and Mr. Schipper the year proved to be a successful one.

This year has been a busy year for the Sophomore class. They were represented by Pres. Tim Berdeman; Vice-pres. Yvonne Rich; Treas. Lori McNabb; Sec. Julie Coffee; and Sec. treas. Julia Schaefer.

Among the activities was a donut and orange juice sale. This was held before school as a money-making project for next year's prom.

The highlight of the Sophomore year was having the winning Homecoming Float. All of the Sophomores contributed time and money in making this a worthwhile project.

# Merit, sportsmanship, and leadership

The Class of '77 played a large part in the success of the 1976-77 school year. Excellent officers such as Pres. Leon Garoufalis, V-P Ellen Zehner, Sec. Jill Craft, Treas. Jackie Kolb and Asst. Sec.-Treas. Frank Zucco, led the class in an active year.

Seniors Nick Nakos and Craft headed the Student Council, while Anne Dailey and Patti Schaefer were the driving force in creating the Follies. Academically, people like Zucco, Berger, Flanagan, and Tolan excelled as National Merit Semi-Finalists.

Athletics also benefited from senior help. Names like Davis, DeHaven, Felger, Frane, Harter, Kruse, Meehan, Smith, Schorgren, and Timmerman were repeatedly mentioned with CHS sports honors.

The Student Council worked over the 76 summer to prepare a new constitution clearly defining purposes and qualifications of officers. The voting procedures also changed.

To keep the student body informed, the council meetings were open to anyone and a bulletin board in the commons was posted with information of recent topics and future plans.

Projects of the student council were numerous! A hot new idea was the homecoming bonfire. Dances and a convocation featuring a gymnast were also scheduled, and movies were shown. Plans for the year also included a careers day featuring people from all walks of life.

# Candles + award + banquet = NHS

A new ceremony which inducted both juniors and seniors headed this year's changes for NATIONAL HONOR SOCIETY. New members were chosen by teachers in four areas: scholar, service, leadership, and character. The students must also have a 3.0 grade point average or better and be active in several events. At the end of the year a banquet is held for parents & members. Further recognition for the senior members of NHS is shown at graduation by sashes.

# "It's Not Our Fault!"

Preserving the memories of the 1976-77 school year was the task of Journalism II class. The two main publications of J-II were the MASTERCHARGER newspaper, and the yearbook. The class also put out the Senior Paper. The year was filled with a multitude of assignments, hours spent typing, and the inevitable last minute rush to meet the deadlines.

# Speech Team

## Means Success

This year was a memorable one for NFL. The speech team won 11 trophies in 13 meets, over 100 ribbons and many individual trophies. Four members--Austin Berger, Frank Zucco, Jackie Kolb, and Cathy Schuhlein--advanced to State Finals.

Team members often gather at their favorite hangout, the "Capri Lounge".

MIDDLE: The band shows spirit at a pep session.

After weeks of summer practice the band was ready for another year of marching on the gridiron and playing at all of the pep sessions. Directed by Luke Matthew and led by drum major Jeff Smith, the band performed as a marching unit, a pep band, and a full orchestra.

Mr. Matthew, being the perfectionist he is, always had the band at their finest for our musical enjoyment. Besides marching at every home football game and playing at all the home basketball games the band added excitement to pep sessions and spirit at the A.C.A.C. basketball tourney.

As an orchestra, they performed at such events as their annual HARVEST SUPPER and winter concert of OPUS VI, and also gave a presentation of the musical LI'L ABNER.

"Frustrating, intriguing, puzzling, sporting, challenging and patience demanding" are words used to describe a chess game.

Rewriting the constitution to eliminate problems in the rank among players was the job of Mr. James Bauserman, the sponsor, and the club officers.

The new and most important feature was the meet with four other schools. The meet was Nov. 4, and Carroll's own Chess Club proudly finished first in the Ft. Wayne Chess League standing!

Other ideas included a taco party, visits to Mexican restaurants, mini courses, and slides and talk programs from outside sources.

# Busy FHA'ers Had Good Year

FHA is one of the more active organizations at CHS. The group is led this year by president Jerene Wright, secretary Jane Hake, and treasurer Gay Cooper.

The money making project for the year was the Bicentennial quilt. It was handmade by FHA members and raffled at a basketball game.

At Christmas the FHA'ers made stuffed animals for the Christmas bureau. The faculty tea was also held, with the seniors serving.

The annual FHA banquet was held at Pizza Hut this year. UPPER LEFT: Cindy Smith prepares for her pizza. LEFT: Faye Walmsley watches as the waitress brings their water. RIGHT: Tonya Graves and Denise Johnson enjoy their pizza.

# Science Club Gets Off to Good Start

The science club was a new addition to Carroll High School this year. The sponsorship was taken by biology teacher Homer Shipper. After first club president Lance Gayle resigned, Jim Eviston was elected to the office. Jim, along with other science club members, worked out the club's constitution and necessary rules.

To become a science club member a student must enjoy the field of science, and like to have fun.

Among the highlights of the year were the club's field trips. The field trip to Fox Island Nature Preserve proved to be exciting and fun, as well as educational.

# Office Girls are Efficient

ROW 1: Beth Wyss, Beth Sidwell, Janet Hilger, Shelly Miller, Judy Schwartz, Kimisue Mann. ROW 2: Becky Shaffer, Marie Bercot, Fran Pops, Kathy Biggs, Kim Yoquelet, Sue Shively, Lynette

Sloffer, Suzy Striggle. ROW 3: Sheila Irvin, Sharon Rietdorf, Jacki Bosserman, Kibby Coak, Diane Linnemeier, Sue Johnson, Pat Davis.

The group most helpful in the efficient handling of school administration is the office girls. They play a vital role in the recording of attendance, and save the office and guidance people time and steps by running errands, delivering messages, and serving as receptionists in the office. The girls also aid teachers with typing and duplicating papers.

Many of the girls have been recommended by the Business Department, and have such basic skills as typing and running office machines. Through their service, they help the school day run a little smoother.

The Media Club aims at improving the Media Center and Library. Through the money they raise, the club regularly pays for the permanent binding of magazines and the rebinding of books. This year they were also able to buy a new World Book Encyclopedia set. The club raises its money each year through the sale of candy and candles, and by working the concession stand.

## FFA wins local, state and national honors

During 1976-77, the Future Farmers of America proved again they are one of the busiest, most successful groups in the school. Under the leadership of sponsor Mike Gross, the FFA'ers competed in a vast variety of projects, and came home with awards from local, state and even national levels.

Through 4-H Clubs, many Carroll FFA'ers exhibited livestock, crops and other projects at the Indiana State Fair. Senior Stan Blessing came back with one of the Fair's highest awards: Grand Champion Showman. Other members who brought high honors back to CHS were part of the Horticulture Judging Team. Competing in Pennsylvania at the National Contest, they won first place!

FFA can also be a chance to do exciting things. Through it, Senior Calvin Schmidt joined other area FFA'ers at President Carter's Inaugural; the young men drove a Prairie Schooner and horse team in the Inaugural Parade.

# Intramurals provides fun

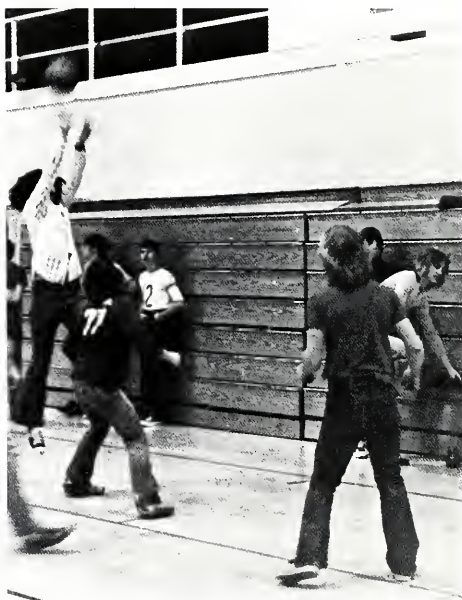

Every Wednesday, first period, the CHS gym was filled with boys and girls playing in intramural sports teams; almost 300 students participated in this year's program.

Twenty-four eight-man boy's teams and nine girl's teams took part in the volleyball program. Because of the large number of teams involved, playoffs couldn't be finished by the time IHSA volleyball season ended, and intramural activity in that sport also had to stop, even though a champion hadn't been picked.

Basketball included 130 boys and 30 girls on more than 50 three-man teams. This time play was halted due to snow days. With so many cancellations and postponements, many games were unable to be held.

Mrs. MacAlexander and Mr. Moyer organized and sponsored the intramurals program. Gym assistants and other intramural players helped in officiating, scoring and keeping statistics.

As a service organization, Y-Teens spends its year working on projects that will benefit other people. During the past year, the girls worked at raising money to sponsor a Guatemala child through the Christian Children's Fund, give a St. Patrick's Day Party for the patients at the Byron Health Clinic, and honor their Mothers with a tea in the spring.

To raise money, they sold buttons; they also pitched in and sold cushions, with the money going to the entire wrestling association.

Kathy Biggs cheers the wrestlers on to victory.

Under the leadership of Mrs. McAlexander, the GAA has been moving right along with many activities. All year Colleen Meehan, President, and Teresa Ramer, Vice-President, have come up with exciting activities like basketball, track, softball, volleyball, and kickball. The bowling tourney was won by Mary Bragg, Christy Clark, and Teresa Ramer. The kickball tourney was won by the Seniors, and the volleyball tourney was won by the "Spirit of '77". A GAA Picnic was held this fall in the honor of new members, members who have fifty points or more, and who were supposed to get ribbons and charms for their sports.

Directed by teachers Elsie McAlexander and Herm Moyer, the Physical Education Assistants have learned leadership by teaching Freshman and some Sophomores coordination in basketball, volleyball, gymnastics, track, wrestling, and of course warball during the year. They also are there to help anyone who needs help in that sport. Some comments from the assistants about this years gym classes were that most of them enjoyed being an assistant because their future plans were to become a P.E. teacher. They also liked it because they love being active, and want to be in the gym class itself.

The 1976 Carroll Charger football team will be a team to remember in Carroll football history. The Chargers went undefeated in ten games and also won their first ACAC Title. The ten wins by the Chargers set an ACAC record for the most wins in a single season. The Chargers also had the top coach in the league in coach George McKinney.

The Chargers were an explosive offensive team as they totaled three hundred and fifty points for an average of thirty-five points per game. Jeff Smith broke three school records this season; most total yardage, most yards gained and most TD's scored nineteen.

The Chargers needed a powerful defense to help the explosive offense. The defense scored four shut-outs and only allowed sixty-five points in ten games.

The Chargers breezed through their first six games allowing their opponents twenty-six points while scoring a massive two-hundred and thirty-one points.

The Chargers played Leo for an important game in the ACAC. It was Homecoming and a sell out crowd moved their way into Carroll Stadium for this crucial game. The Chargers rolled over the Lions 30-7, and the Chargers were only one game away from winning their first ACAC title.

Carroll went to Woodlan, a team the Chargers have never beaten since the school consolidated. The night belonged to the Chargers as they became the ACAC champs by dethroning the Warriors 27-6.

Nineteen seniors played their last game for Carroll as they entertained Whitco. The Chargers ended their season like they started defeating the Warriors 49-26, for an undefeated season.

As Monte Diffendarfer sweeps around left end, he is greeted by the Warriors.

The Reserve football team finished their season mutilating Churubusco 54-0. The reserve squad progressed all year climaxing the season with Busco. Mr. Bordner, (Pop), led his team to an undefeated, and untied season, 7-0-0.

Ron Haun quarterbacked the Junior Varsity with Rick Cool, Todd Meeks, and Ray Skidgel running well in the backfield. Obviously, up to par the defensive output of the "B" team stifled the opposing teams. Craig Rank was very effectively on the line while Dane Butzow and Kevin Ducy along with Skip Yeknick backed the line in the secondary.

Ron Haun was voted MOST COURAGEOUS PLAYER for leading the reserve offense against the varsity defensive team. Ron is alive, though his life was on the line each scrimmage session.

Mike McComb quarterbacked. Mr. Keefer insists that this Freshman team was the hardest working team he has coached and this accounts for their undefeated season.

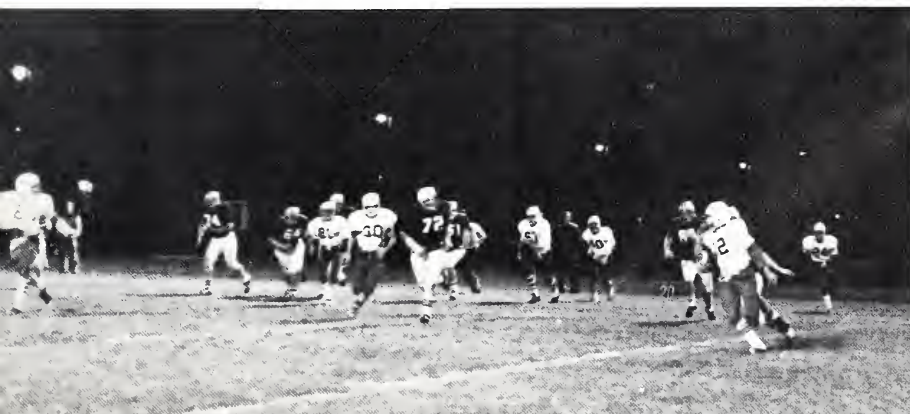

Mike McComb was also chosen MOST VALUABLE and co-captain along with Dave Smith. John Graves was voted MOST VALUABLE OFFENSIVE LINEMAN. Mike Cravens was voted MOST VALUABLE BACK with Tom Blickendorff getting the MOST VALUABLE DEFENSE award.

Bill Elkins, Dave Smith, Mike Cravens and John Dincoff sustained injuries during the year, but all have recovered and are in good health.

The year of sports firsts also carried over into Carroll's golf season. For the first time CHS sponsored a girls golf team, while the established boys team won their first sectional as well as taking conference honors.

The girls team, coached by Mr. Herm Moyer, finished the season with a 6-4 record. With only senior Mary Bragg leaving, the young team should have the necessary time for improvement.

Coach Jim Beard's Aces had an exceptionally good year. After losing only two season matches, they took first place in two out of three invitational (losing only their own Carroll Invitational with a second place), placed first in the ACAC tourney and won their sectional, for the first time. Four of the CHS golfers, Mike Alexander, Mike Bafr, Mike Corrao and Scott Gerard, made the All-Conference team and, aided by teammate Dan Nickander, easily won the conference title.

# Volleyball ends year 10-10

The volleyball team ended their 1976 season with a 10-10 overall record and a 5-3 standing in the conference. The season was highlighted by many events, the most unusual being that this year's team included Judd Carey. Judd is the first male athlete to participate in a female sport at Carroll.

With Chere DeHaven being voted the most valuable player and Colleen Meehan being chosen for the ACAC All Conference team and team captain, the Chargers took third place in the conference. The team consisted of five seniors, four juniors, and three sophomores, with five of these being returning lettermen. The team's stronger areas seemed to be in their spiking and serving, with the top spiker, Judd Carey, having 150 spikes during the season, and junior Barb Baermann leading in serves with a 92.1 percentage.

## Cross Country team places 3rd in ACAC

Under the direction of Coach Jim Jerome, the Carroll High School Cross Country Team dashed through a rough season that ended with a record of nine wins and five losses.

Jeff Gaff was nominated Most Valuable Runner by the team. He unsurprisingly made All Conference by placing seventh in the Conference meet at Eel River in 'Busco. He also set a school record with the time of 13:16, breaking the time of 13:26, set by Kevin Yoquelet.

Stu Brown placed ninth in the Conference meet and thirty-ninth in Sectionals, while Mike Spade placed thirteenth in the Conference. They were also nominated as captains by the team.

Carroll had a new face on the team. Andrea Barnfield was the first girl to be on a boy's Cross Country Team.

The team overall placed third in the ACAC, and tied for fourteenth out of twenty-five teams in the Sectionals.

After 23 years of waiting, the ACAC Crown is back again. The Chargers defeated arch-rival Leo in double overtime to win the championship by a score of 67-65. CHS dominated the ACAC this year on their way to a share of the League Crown.

The Chargers played with more height than usual as the starting five averaged about 6' 1". With height and the versatility of super-sub Scott Gerard, the Chargers rolled to a fine 16-7 record.

Leading the team and winning All-Conference honors were three juniors: Lennie Shank, Rick Myers, and Jeff Warner. Myers and Warner were voted Co-MVP's, while senior Dave Kruse was named Captain. With three starters returning, Coach Moyer can look forward to another fine season.

The J.V. basketball team began their season on a winning note by defeating Wawasee on their way to a 10-10 record. The team under the direction of new head coach Kent Lochmueller (who assumed former coach Merryman's job because of illness) had many close games. Rick Cool led the team in scoring and Scott Sordelet showed great promise in the rebounding department. To highlight the season, the team won the Reserve Tournament by defeating Homestead.

The Freshmen basketball team, on their way to a fine 9-6 record, won the ACAC tourney, and finished second in the Bishop Dwenger tourney. Coached by Mr. Etzler, the team showed good teamwork throughout the season, with Jim Krempel and Dave Smith leading the scoring column, while Greg Oswald and Kim Stahlhut carried the load in rebounding.

The Carroll High School girls' basketball team, directed by Mrs. Yvonne Exner, turned out a successful first season.

More than thirty girls had a two week try-out before fifteen were chosen for the team.

Their season record was four wins and four losses, placing them third in the ACAC. The Sectionals brought a first-round defeat to Homestead.

The starting five consisted of three Seniors and two Freshman: Colleen Meehan, Pat Davis, Chere DeHaven, Darlene Moser, and Pam Swihart.

The reserve record was one win and three losses.

# Varsity has another successful season, 1 in ACAC, 1 at Sec., 1, 1 at ENI

This year's outstanding wrestling team went all the way to sectionals undefeated. Under the expert coaching of Ed Fox, assisted by Gene Merkle, the Chargers came home with a first at the East Noble Invitational, first at the ACAC Tournament, and second at Regionals.

The 1976-77 successful season was due to a joint effort by all the varsity wrestlers, being cheered on by their devoted Mat Maids. Just to mention a few of the most outstanding: Don Harter, 23 wins-1 loss, Ron Harter 21 wins-3 losses; Gary Timmerman, 22 wins-1 loss; Chris Schortgen, 21 wins-4 losses; and Tim Olinger, 20 wins-3 losses.

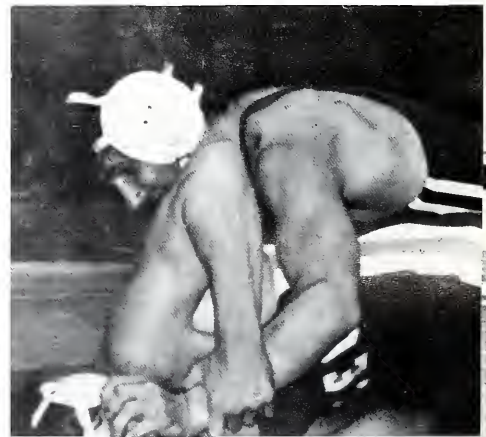

At this year's Winter Sports Athletic Banquet, the wrestlers were highly commended on their excellent season. Each graduating wrestler was given a career record of his and of his peers standings. Gary Timmerman was named Most Valuable Wrestler, and Tim Olinger was named Captain.

The wrestlers aided by the Mat Maids sold cushions as their money making project. The money they earned will go to the purchasing of a record plaque where all the names of the outstanding wrestlers will be engraved (to be hung in the Commons), and a Team Blanket for the wrestlers to sit on as they await their turn to wrestle.

Practices began in November for the gymnastic team, while the expanded schedule of meets began in January. The snow canceled many meets and practices, but the team competed in the sectionals, regionals, and the first ACAC, and finished with a successful 6-3 record.

A lot of new things brightened the season. Mrs. Barbara Treleaven (Mrs. T.), a first year coach, was one of many new faces on the team. Cable bars replaced the old uneven bars, and many home meets were video taped so girls could see their routines the next day.

Long, hot practices on the decks, picky judges, and sore gymnasts were a major part of gymnastics, but team spirit, lively bus rides, jokes, Big Mac attacks, and ribbons made it all worthwhile!

The C.H.S. Boys Track Team, coached by Tom Keefer and assistant Dave Bordner, had an outstanding season this year. The highlight came when the team won its own Carroll Relays. Lennie Shank tied for Most Outstanding Individual in the Meet.

In the ACAC Track Meet held at Leo, Carroll placed 2nd with 142 pts. to Norwell's 146. At the Goshen Relays, Carroll placed 2nd out of 23 teams competing, and at the East Noble Relays, Carroll won with 12 teams competing.

At the Sectional this year the track team placed 6th with 54 pts. Four people advanced to Regionals: Lennie Shank in the 100. Rick Cool in the Long Jump. Kevin Ducey and Scott Brown in the Pole Vault.

Finishing the season with a 11-1 record. Six track team members set many new records: Lennie Shank in the Discus with a throw of 156'3" and also in the 100 yard dash with a time of 10.1 seconds; tying for the record in the pole vault were Kevin Ducey and Scott Brown with the vault of 13'10"; Tim Bussen in the high jump with a leap of 6'2"; Rick Mann in the 880 yd. run with the time of 1:59.9; Stu Brown in the 2-mile run with the time of 9:54.1.

After winning the ACAC meet and bringing home a conference trophy for their 4-0 record, the girls track team ended an outstanding season by placing sixth at the Indiana State Girls Track Meet!

One of the outstanding runners for the Chargers was Chere DeHaven, who placed 2nd in the State 440 with a new personal record time of 57.3. Chere also set a new school record in the 100 yard dash, with a time of 11.2 seconds, and a new conference record at the ACAC meet with an impressive 25.8 seconds in the 220.

The relay teams did their part in the state placing. The Medley Relay, ran by Kelly Hall, Verna Goodson, Mary Bragg and DeHaven, placed 2nd at state with a new personal record of 1.49.4. The 880 Relay, with Camille Bornkamp, Goodson, Tina Carpenter and Hall, placed 6th and contributed to Carroll having the best showing of any school in our area.

# VARSITY BASEBALL

CHS baseball started the season on the right foot with two victories over tough city foes, then moved on to a share of the conference lead. The Chargers rolled through the season with a 12-6 overall record and a 6-2 ACAC standing.

Carrying the pitching load for the Chargers were juniors Judd Carey and Erland Maki, and senior Randy Frane, who pitched the first no-hitter in Carroll history. Sharing the hitting load were juniors Maki, Scott Clark, Jeff Warner, and senior ace Kurt Benson.

TOP--Coach Moyer instructs Chuck Didion, getting ready to bat. MIDDLE--Randy Frane fires another pitch towards the win over Norwell. BOTTOM--Coach Moyer psychs up his team for an important conference game.

# Baseball gets five shut-outs and first no-hitter

SITTING--Kevin Grimmer, Chuck Didion, Mike Hoopengardner, Kurt Benson, Erland Maki, Randy Frane. KNEELING--Shep Moyle, Todd Meeks, Jeff Frane, Scott Clark, Jeff Warner, Pat Meehan, Jeff Krempel, Mike Davidson. STANDING--Beth Sidwell, Asst. Coach Jim Potter, Kim Stahlhut, Tim Maki, Mike McComb, Rick Myers, Judd Carey, Brian Von Deylan, Coach Herm Moyer, Kathy Biggs, Joyce McComb.

FAR LEFT--Kurt Benson begins a slide as he tries to beat a ball to third. BELOW LEFT--While Jeff Warner waits for his turn, Jeff Frane slugs a bouncer. LEFT--Mike McComb takes his turn at the plate, with Jeff Frane on deck.

Each day we were greeted with the words: "May I have your attention for this morning's announcements." The day concluded with the 3:05 bell, and for some it ended before it started. For the teachers it was a job, for the students, school was just a stopping place.

Academics brought tests and homework assignments, broken pencils and neatly written compositions, late hours of cramming boring notes for a forgotten final.

As for the people there was Mr. and Ms. popular, and Jane & John whats-his-name. There were shy freshman & bold seniors, teachers pets & Joe cut-up, greasers & scholars.

Absent lists and overdue book rosters, piles of forged "excuses," endless doctor appointments and "phony" phone calls caused daily KAOS in the office.

We survived warm drinking water, heat that was too cold, and air conditioning that was "being adjusted." Amazingly the lunches were eaten, despite all the jokes.

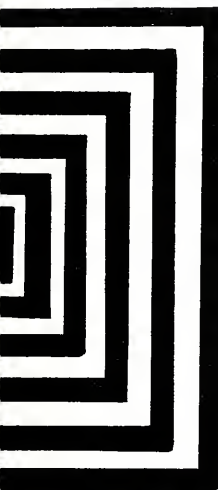

For the athletes there were dreaded practices, taped ankles, canceled games or meets, championships after championship, and once in a while a disappointing defeat.

Carroll's population of 930 students seems so small and insignificant when compared to the 200 billion people in the United States, but you've heard the cliché "dynamite comes in small packages." We were looked upon by the "city schools" as "country hicks," but when we defeated them they were forced to respect us. Yes . . . we are here for a purpose, we have a specific meaning, and to each individual it will be different . . . How would you define Carroll??

Since last summer, the Cavalier staff has been kept busy working on many aspects of producing the '77 yearbook, which is another chapter in Carrolls' history. Had it not been for the staff and Mrs. Schaefer, the Cavalier could not have been made possible. Many hours were spent drawing and checking layouts, writing stories, headlines, and captions, typing, and printing and/or drawing pictures. We had a creative staff, and we made a lot of changes, for the better!
